Dear SGC International Member,

Thank you for your submission to participate in the 2018 SGC International Conference, *Altered Landscapes*. This year we had a large pool of outstanding panels, demonstrations, INKubators, themed portfolios, and paper proposals. The conference submissions were juried by five SGC International members and former conference chairs.

We are delighted to inform you that your portfolio is accepted for the 2018 conference!

The conference will take place Wednesday, April 4 – Saturday, April 7, 2018 at the [Bally's](#) Hotel on the Las Vegas Strip. Discounted room rates are available at Bally's for SGCI Members. More information about the hotel, your panel date, time, and room will be sent in the fall. Portfolio organizers will receive one half-waiver for registration.

Please send questions to Kate McQuillen, Administrative Coordinator, SGC International at [admin@sgcinternational.org](mailto:admin@sgcinternational.org) and **email Kate to confirm your participation by July 15.**

Thank you again and we look forward to seeing you in Las Vegas!

Sincerely,  
Kate and the Conference Steering Committee
