

Dear PRINTILLA Participant:

Much has happened in the months since the postponement of Puertográfico 2020. I hope you and your families/loved ones remain healthy and safe.

I appreciate all your hard work to finish your edition even amid a pandemic. I have good news in that Puertográfico 2020 will hopefully be rescheduled in 2023. (The Puertográfico organizers are working on this endeavor Our portfolio is accepted for the 2023 conference. It would be great to see everyone in Puerto Rico 2023, so hopefully you can attend. We at least have some time to save our pennies, again.

I really enjoyed learning about Puerto Rico and viewing everyone's creative work. I look forward to its' exhibition in 2023.

Stay healthy,

Kelly Nelson
